### Anne Frank – Test Section 3

**1. At the beginning of this section of the diary, the people in the "Secret Annex" are having difficulty sleeping. What is causing this problem?**

- A: There is noise coming from the street.
- B: The soldiers are being loud.
- C: The sound of planes bombing the city and the return fire of the anti-aircraft guns.
- D: The sounds of the fire engines and alarms sounding to warn of the fires.

**2 How does Mr. Koophuis keep from showing the new owners of the building the "Secret Annex"?**

- A: He tells them he does not have the key to open the door to the attic.
- B: He tells them there is no attic in the building. The door leads to a terrace on the back of the building.
- C: He pretends to become suddenly ill and ends the tour of the building.
- D: He tells them he hears a sound from another part of the building. This diverts their attention from the room.

**3 Why would it be bad for the group if burglars find the downstairs radio tuned to an English radio channel?**

- A: It would make the radio more valuable. Then the burglars would be sure to steal it.
- B: The burglars would turn this piece of information over to the authorities. This would make it more likely the families would be found.
- C: The burglars might then go looking upstairs to see if anyone else is in the building.
- D: None of the above

**4 Two new problems develop for the families. What are they?**

- A: Lack of water and electricity
- B: Lack of reading material and writing paper.
