

Class Prayer

Dear God,

You created me in Your image, a person of body and soul,
Gender and gifts.

You call me to live a life of love for all my days.

Thank you for my family, who started me on my journey.

Thank you for my friends, who are my companions.

Lead me to meet the people I am meant to love.

Help me to discover the road I am to follow,

And help me to follow it wisely and well,

so that I may come home at last

to the kingdom of Your Son, Jesus Christ. Amen
