Dear Mrs. Guzman:

Last year we were able to wear a school uniform once a week during our P.E. day. Can you consider allowing the teachers to wear the school uniform every day, except on Friday. The reasons why teachers should be allowed to wear a school uniform are: First, the community and parents will be able to distinguish teachers right away. Second, in case of an emergency, teachers can be located by school uniform. Lastly, getting ready in the morning will save time. I hope you will take this into consideration.

Sincerely,

Patricia Jackson
