

Teacher Example

Compare and Contrast Details

Example: I want to compare and contrast going to the Movie theatre vs. Drive -In
List as many details for both sides

Movie Theatre	Drive In
<ol style="list-style-type: none"> 1. buy tickets on line 2. Expensive 3. Reserve a seat 4. No outdoor food allowed 5. Comfortable reclining chair 6. Crowded room 7. Clear screen 8. Concession stand (to buy food and drinks). 9. Can only watch one movie 10. No talking or using your phone during movie 11. You can fall asleep 	<ol style="list-style-type: none"> 1. Pay as you drive in parking lot 2. Cheap Prices 3. No reservation required 4. Outdoor food allowed 5. Take blankets 6. Watch movie from inside a car or take a chair. 7. Clear screen 8. Concession stand 9. Can watch more than one movie 10. You can use you phone 11. You can fall asleep

VENN DIAGRAM - IT CAN ALSO BE THE CIRCLED ONE

I will use this one

From the details I listed, I will now put them in some order using my Venn diagram

Movie Theatre <i>differences</i>	Both <i>similarities</i>	Drive In <i>differences</i>
<ol style="list-style-type: none"> 1. buy tickets on line 2. Expensive 3. Reserve a seat 4. No outdoor food allowed 5. Comfortable reclining chair 6. Crowded room 7. Concession stand (to buy food and drinks). 8. Can only watch one movie 9. No talking or using your phone during movie 	<p>Clear Screen</p> <p>You can fall asleep</p>	<ol style="list-style-type: none"> 1. Pay as you drive in parking lot 2. Cheap Prices 3. No reservation required 4. Outdoor food allowed 5. Take blankets 6. Watch movie from inside a car or take a chair. 7. Concession stand 8. Can watch more than one movie 9. You can use you phone

Name: _____ Date: _____

I want to compare & contrast:
